

**REMARKS**

This Amendment is being submitted in order to correct two minor errors in claims 31 and 32.

Specifically, claims 31 and 32 are being amended to replace "an" by "the" in claim 31 (line 3), and to replace "a" by "the" in claim 32 (line 4), thereby rendering these recitations consistent with the previous recitation of "an Internet protocol network" in claim 30 (line 2) and the previous recitation of "a mobile terminal" in claim 15 (lines 5-6), respectively.

Therefore, these amendments are merely formal in nature, and entry of this Amendment is respectfully requested.

No additional search is required, no allowed claims is affected by the foregoing amendments, and no more than a cursory review of the record is necessary for the Examiner to recommend retry of the foregoing amendments.

In view of the foregoing amendments and remarks, all pending claims, claims 1, 5, 10, 11, 15 and 28 thru 37, remain allowed over the prior art of record and this application is believed to be in condition to be passed to issue. Should any questions remain unresolved, the Examiner is requested to telephone Applicant's attorney.

No fee is incurred by this Amendment.

Respectfully submitted,
